

The President's Volunteer Service Award Program

Sponsored by Panther Creek High School's PTSA

The PCHS PTSA is proud to support and sponsor the President's Volunteer Service Award for our students. This program is open to all students of Panther Creek High School.

Criteria for the Award:

A student must volunteer for a minimum of 100 hours during the 12 month period of October 1st through September 30th, to be eligible to receive this prestigious award. Awards are granted as follows:

Bronze:	100 – 174 volunteer hours/12 month period
Silver:	175 - 249 volunteer hours/12 month period
Gold:	250 or more volunteer hours/12 month period

How do students participate?

Students should create an account at www.presidentialserviceawards.gov which allows them to track their volunteer hours online. This account is created for free and you may access it at any time to record your volunteer service. When recording your hours, in the Description of Service area, please name a person from the organization you volunteered for.

The PTSA will make an announcement at school with specific times to turn in your service record. You will login and print your service record (use the option to "download to Excel spreadsheet", then print.)

You must have a parent/guardian sign the form. PCHS PTSA reserves the right to verify the hours listed with the organization serviced.

Students will be notified of their award by October 31st of each year. Volunteering is a wonderful way to give back to your community and this award should be proudly listed on your college resume!

Additional information will be posted on the PTSA website or please contact Kim Fegeley in the main office.
