

Mrs. King's Parsley Post

This Week in Fourth Grade

December 8, 2008

Issue 5

Remember *Interim Reports* will be going home on December 10.

math

We are concluding algebra this week. Please continue practicing:

1. Writing Expressions
2. Solving Equations
3. Order of operations
4. Balance Scale
5. Function tables (input/output)
6. Solving for Symbols

Please remind your child as you work with them on their homework that multiplication and division are interchangeable depending on their location in the expression (left to right) as is subtraction and addition.

reading

Please remember to continue working on the Reading Wheel products. Students must have 7 products completed by the end of the second nine weeks (January 26)

Our weekly reading story is "Cendrillon" (version of Cinderella) page 328 in the reading book.

Students will be rotating through each 4th grade class to listen to a different version of Cinderella. We will be working on comparing and contrasting Cinderella versions as well as other aspects details, characters, and other selections.

To practice this skill, as you are driving in the car or in the grocery store, ask students to compare/contrast occupations, items, people, or details of an item.
