

Schuyler Elementary School's April Board Report...

3rd grade students are preparing for the finish line...

Teachers and students have been “fine tuning” their reading and math skills before they dash over the finish line!! So many students have been a part of tutoring over the months which is a huge commitment for them to stay at school until 4:15 every day. Most everyone has gotten their racecar out of the garage and on the racetrack by passing his/her Friday NeSA quizzes. Their Kindergarten, 1st grade, and 2nd grade buddies will start decorating the 3rd grade pod with posters filled with words of encouragement. We believe our “little racers” are headed right into the winner’s circle!!

27 days of school left...NO WAY!! Our team is starting to “hit the panic button”!! We have so much left to do with our students in and out of the classrooms. Here’s just a peek:
