Fruitastic Fridays

The Healthy and Active Schools Committee organized "***Fruitastic Fridays***" which began Friday, November 21st and will end on Friday, December 12th. As explained previously students have been encouraged to bring a piece of fruit for their Friday snack. Each student that brings a piece of fruit will color one block of their classroom "***Sammy the Snake***". When every block on the classroom snake is colored a student from each class will go to the enormous ***Sammy the Snake*** posted on the wall across from the office where they will color one block. When the enormous ***Sammy*** has every block on its body full, the students will participate in a school wide reward. The response has been quite positive over the course of the first two Fridays.

Christmas Concerts

This year our school will be holding two Christmas concerts. Next Tuesday, December 9th we will feature the talents of our English Kindergarten and Grade 2 students. Next Thursday, December 11th, our Early French Immersion Kindergarten and Grade 3 students will perform a Christmas concert. Both of our Christmas concerts will begin at 7:00 pm. Doors to the school will open at 6:30 pm. Tickets will be available at the door at a cost of \$3.00 each. Our grade one classes and our elementary students will perform in the spring.

Christmas Hampers

Once again this year we will be helping the less fortunate in our school community. We would request that each child bring in a small donation. This money will be used to support the less fortunate members of our school community.
