Unscheduled School Closures during the School Day

It's the time of year when we can anticipate unscheduled school closures during the school day related to weather conditions or other conditions beyond our control.

While we realize parents completed an intent form regarding their wishes for their child early in the school year circumstances may have changed over the course of the past few months. Please understand that your child will not be able to call home as we have close to 600 students and only two telephone lines. We would also ask you to clearly communicate to your child your wishes. We are requesting that Parents/ Guardians check the appropriate space on the attached form and return to your child's homeroom teacher **no later than Wednesday, Jan. 14.** Thank you for your continued support.
