Dear Parents of incoming students September 2007,

Starting school for the first time is exciting for both children and their parents. Understanding that this is a critical event in each child's life, the value of providing meaningful educational experiences is vital. As you are aware The Eastern School District has developed a program for Pre - Kindergarten children entitled "Kinderstart".

During the winter and spring terms, each four year old registered for Kindergarten in the Eastern School District will be invited to participate in five sessions in the Kindergarten environment. This opportunity will allow children and their parents to become familiar with Kindergarten and school routines as well as enable teachers and school staff to prepare for the children's arrival at the school in September.

To enable the new children to participate in these five (5) sessions the present Kindergarten children will not attend classes at those times. This will afford the opportunity for the incoming kindergarten students registered for September 2007 to visit their school. Attached are the five dates that your child will attend the Kinderstart sessions. In addition to the five dates our school will hold an orientation meeting for parents only, on Thursday, January 11, 2006 at 7:00 pm in the

school gymnasium.

We thank you in advance for your understanding and cooperation in sharing this important first step to schooling.

Sincerely,
Richard Gagnon
