

Parents help our school earn money!

Buy Things You Need = Earn Money for our school!

It's easy with our Simplified SCRIP™ program!

How to Earn Free Money for Our School??

Order gift cards at face value from your favorite merchants through our Simplified Scrip fundraising program and each merchant will donate a specified percentage to our school!

It's that easy.

Purchase things you would anyway like groceries, gas, dining and more....
simply use a gift card to buy them.

These are the same gift cards you would get if you purchased them at the store, but, when purchased through our Simplified SCRIP program our school earns a donation from the merchant.

Just one family using these gift cards to buy groceries can easily add up to over \$100 for our school annually. And that's just groceries!

October 2007

Dear Parents,

Welcome to Back to School Night. I want to introduce you to a new fundraiser that we are starting at Hammar skjold. It's called the Scrip program. Some of you may have heard of this type of program through your church, temple or other organization. The program is a gift card-purchasing program where the vendor makes the actual contribution. With this program, **you get what you paid for**. At Hammar skjold, we are working with Simplified Scrip to bring this fundraiser into the school. I've worked with them before and it is a great way to earn money for the school. It is truly as simple as 1, 2, 3.

- 1) You order the gift cards you want (either by mail or on-line).
- 2) They are mailed directly to you.
- 3) The vendor of the card gives a percentage of the purchase price to the school.

What could be easier? You shop. You eat. You give gifts. The school gets money.

This program can work really well, if people look at it in a practical way. You see the words "gift card" and you immediately think, "Who do I need a gift for?" or "Who can I buy a gift card for?" If you think of it in a more practical way, "gift" cards can be used by anyone, including yourself, to purchase anything.

Do you like to take your kids out to dinner every once and a while? Why don't you buy a few gift cards to one or two of their favorite restaurants? Next time you go out, use the gift card(s) instead of cash or credit card. **You spend the same amount of money** while supporting the school.

Are there any stores that you shop at regularly for clothes, books, sporting goods, office supplies, or something else? Buy yourself gift cards for these stores. Next time you shop, use your gift cards. Again, **you spend the same amount of money** and you're supporting the school.

How about gas stations? They have BP, Shell and others. How about groceries? Do you shop local at the A&P on 18 or Acme on Ryders Lane? Or, do you shop at Shop Rite on Route 18, Summerhill Road or Route 130? All three of these stores, as well as other grocery stores, are on the list. I, personally, do at least 75% of my grocery shopping with gift cards. Each month, I buy my cards for the next month. If I go over my budget, then I use cash or my credit card. All I'm doing is buying the same groceries I would buy if I were using my credit card, but by using the gift cards, I'm supporting the school. I earned just under \$200 for my organization last year by shopping and eating.

Also, once you sign up with Simplified Scrip, you will get special promotions from them – "free shipping," "\$5 off," plus other great deals. They will e-mail these offers directly to you.

When placing your first order, either by mail or e-mail, you will be asked for the organization that you are supporting. It is Hammar skjold Middle School, listed under either "East Brunswick" or "E Brunswick," New Jersey.

If you have any questions about the Scrip Program or want more information about it, you can contact me directly at 732-422-0971 or you can log onto their website at www.simplifiedscrip.com.

I urge everyone to try out the program. And, remember "gift" cards don't just have to be used for gifts.

Happy shopping!!!

Janine Giske
