HAMMARSKJOLD  
STUDENT TOTE BAGS!

“We are pleased to announce our second annual offering of an accessory tote bag for students. While this is not a mandatory school supply, it is the only option we can offer for carrying an accessory bag, as it is intended for convenience when traveling in the corridor. This bag will be sold for \$5.00 by the school store and will continue to be part of our school’s focus on school spirit.”
