Total School Days Scheduled for Students-184

PLEASE NOTE: This is a planning calendar which **includes four days for inclement weather closings**. If these days are unused, they will be deducted from the calendar. The Board reserves the option to make adjustments in the school calendar as specific conditions may so require. The executed calendar will have no less than **180** school days for students, as per State requirements, and no more than **185** teacher days, as per contractual agreement. The exact dates for the eighth-grade promotion exercises and the final day for students and teachers will be set in the Spring. * If we have an excessive number of school closings make-up days will be during the Spring Break (April 12-16), beginning with Friday, April 16th, followed by Thursday, April 15th, etc. Therefore, plans which cannot be changed should not be made for these dates.
