## Summer Reading Assignment

Dear Students,

For Summer Reading you will be required to read and annotate four stories in your Sourcebooks. You must complete all of the work in your book starting on page 11 through page 48. These pages include two different themes, Growing Up and Colonial America. Within each theme there are two stories.

You are expected to complete the entire four stories along with annotations. All work can be completed in the book. All work should be returned to me during the first week of school. You will have a test on these four stories!

I hope you have a wonderful summer and I look forward to seeing you in September. If you have any questions please feel free to email me. I will be checking my Montville email all summer. I will also have a copy of these pages posted on my website if you need it.

Sincerely,

Ms. Kimen Ryan
