Save Money, Raise Money Through TD Bank

The Oakland Education Foundation (OEF) is now participating in the TD Bank Affinity Program, which is helping the OEF raise money for Oakland's K-8 schools by donating a percentage of all balances linked to the OEF Affinity Program. Link your existing TD Bank account(s) or open a new account. TD Bank will deposit \$25 into your account if you open a new, non-interest bearing checking account. Call or stop by your branch to link your account to the Oakland Education Foundation Affinity Program. The OEF will be notified only of the number of accounts linked. No one will have access to any individual's account balance information. Each year TD Bank will donate a percentage of the average balance of linked accounts.
