

November 1, 2009

Dear Families,

We are in the middle of parent conferences. It's so nice to see all of you in the building. The dates of the conferences are on the October and November calendars. Remember these are half days of school for the children.

Thanks to the PTA for all their hard work in sponsoring spirit wear. Ms. Choromanski created a hip design for the items. All the proceeds from the sale go to programs at Traver and West. Also, thank you to the PV Fire Department for sponsoring fire safety day. The volunteers take time from their hectic lives to teach our children life lessons about safety, and the PTA feeds them! The children learn a lot about what to do in an emergency situation, and it is never too early to teach them about this.

Some exciting news is that we scheduled second grade music to create a chorus in which all students participate. Currently, Mrs. Catanzaro, our music teacher, is busy figuring out how to debut the chorus on the evenings of the November PTA Book Fair at West. It will be the first time we planned such an event, so we are keeping our fingers crossed. How can we go wrong with music and books?!

Knowing how quickly this month will pass by, I'll take this opportunity to wish you a bountiful Thanksgiving. Enjoy your family time together.

Sincerely,

Micah Brown  
Principal
