

TRAVER ROAD PRIMARY SCHOOL

October, 2009

Dear Families,

October is here! The chill is in the air, and my plants are slowly succumbing to the cold nights. We are looking forward to the Walkway Over The Hudson Opening Celebration this coming weekend. I will be swinging a lantern on the walkway as part of Friday evening's light show.

October brings to Traver our community helpers who keep us safe: The Child Abuse Prevention Center; and the Pleasant Valley Fire Department. The children learn about the roles of community helpers while climbing on fire trucks and other emergency vehicles. Also, I am looking forward to kids' grins on school picture day. They enjoy dressing in their finer clothes.

Remember to sign up for Newsflash. It will inform you about school closings, early dismissals, and school events. You have to sign up every year, because we must delete the prior year's data. The web address is:

<http://www.teacherweb.com/ny/arlington/traverroadprimaryschool>

Enjoy the colorful, changing leaves. Pick apples and pumpkins. Read to your children.

Sincerely,

Micah Brown

Sincerely,

Micah Brown
