Computer Database Resources

Discovering Collection – Basic search using author's name will bring up biographical and critical essays.

Twayne's Authors Series in GALE GROUP has biographical information and literary criticism.

Periodical Databases (Magazines and Newspapers)

Electric Library: Very current, keyword search, by name and other term such as "life" or "interview" for contemporary authors. Search can be limited to newspapers and magazines.

Historical Newspapers: New York Times from 1851-2007

OPALS OPAC Search

To find stories by your author in a book of his/her stories, search by author's name as an Author keyword Select a book with a SC call number. Some results will be a book of stories by one author and some may be an anthology of short stories (book with multiple authors).
