

NUMBER POEMS

- 0 Zero, around we go
- 1 Straight down one has just begun
- 2 Around and back on a railroad track
- 3 Around a tree, around a tree, that's the way you make a three
- 4 Down and over, then down some more
That's the way you make a four
- 5 Down and around then add a hat
The number five is just like that
- 6 Roll a hoop and make a loop
- 7 Across the sky and down from heaven
That's the way you make a seven
- 8 Make an S but do not wait
Go back up and close the gate
- 9 A hoop and a line makes a nine
