

FRENCH HILL BIRTHDAY BOOK PROGRAM 2009-2010

Celebrate a child's birthday or a special occasion by donating a brand new book to the French Hill Library. Parents and French Hill staff are invited to commemorate their child/student's birthday or other occasion and benefit the library as well. With your order, a new book...

- * Will be presented on or near your child's birthday
- * Will be inscribed with your child's name
- * Will be signed out for your child to be the first reader!

The program is in its fifteenth year! We try to celebrate all birthdays as close to the child's special day as possible. **Children who celebrate their birthdays during June, July, and August are invited to participate in the birthday book program right now.** This way, we will avoid the end of the school year crunch and your child will have more time to enjoy their birthday book before it needs to be returned to the library.

Your child will work with Mrs. Menzie, French Hill's school librarian, to choose a lovely, new, age-appropriate book.

IF YOU DECIDE DURING THE YEAR THAT YOU WOULD LIKE TO PARTICIPATE IN THE PROGRAM, EVEN IF YOUR CHILD'S BIRTHDAY IS WELL PAST, BY ALL MEANS, PLEASE DO SO!

If you have any questions about this program, please email Sue McCarthy at sgullotta@hotmail.com

Thank you!

Please return this cut off to your child's teacher in an envelope marked "French Hill Birthday Book Program"
Please make all checks payable to "French Hill PTA".
