

October 2009

Dear French Hill Parents,

As many of you know, the French Hill PTA sponsors a program called "Wee Deliver." In cooperation with Mr. Wells, the staff at French Hill and parent volunteers, we operate an in-school post office that is set up and runs just like a real U.S. Post Office. The "Wee Deliver" Post Office is located near the main entrance to our school. This program is particularly exciting for our second graders, as they are given the opportunity to work in the post office as Postmasters, Facers, Cancellers, Nixie Clerks, Sorters and Mail Carriers.

Throughout the year, various activities will be sent home for your child to do. These projects are meant to be fun and encourage your child's creativity. Each child may interpret the projects in his or her own way by using writing skills or by drawing a picture.

Students can send letters to anyone at anytime in the French Hill Elementary School. Parents, siblings and grandparents can also send letters. The letters are to be mailed in our French Hill mailbox located in the lobby.

We are working on getting our second grade staffers hired.

**Interviewers:** The second graders will be "interviewed" for their jobs on Thursday, November 12<sup>th</sup>, 2009 from 10:30 – 11:30 a.m.

**Civil Service Test:** We will provide you an answer guide and you will guide the children with the correct answers for the interview.

**Post Office Officers:** These individuals will oversee the second grade post office workers. Parent volunteers are needed to be available on Tuesdays or Thursday mornings from 9:00 – 9:30 a.m.

This is great program for all the students at French Hill but requires your help to keep it going. **Please return the slip by Friday October 30<sup>th</sup>, 2009 and indicate what you would be able to help out with.**

If you have any questions, please contact Annette Cicinelli at (914) 245-4410 or Debbie Mellone at (914) 245-8801. We are looking forward to a fun and exciting year!

Sincerely,

Annette Cicinelli and Debbie Mellone, Co-Chairs
