Guidance Dept. Staff,

2009 CREDIT UNION SCHOLARSHIPS

In an effort to help further the education of our high school students, the **Oswego Teachers E. Federal Credit union** is offering a new scholarship program.

Students must be a member of the **Oswego Teachers E. Federal Credit Union** and be a **high school senior** at the time of application. They will be competing for one (1) of seven (7) **\$250** scholarships and one (1) **\$500** scholarship offered by the **Oswego Teachers E. Federal Credit Union**. This year we are designating two (2) scholarships per school district and one (1) county wide scholarship. Applicants will be judged on academic performance, extra-curricular and community activities, references and personal goals.

Students or their parents will need to call this office for applications, as we will need to verify membership. Completed applications **must** be received in this office by the close of business on **Friday, May 1, 2009**.

As many of the faculty and staff in your school district are members of this credit union and therefore may be parents of eligible students, would you please make them aware that these scholarships are available to them? All school district employees of APW, Boces, Central Square, Mexico, Oswego, Pulaski and Sandy Creek are eligible to become members of Oswego Teachers' Employees Federal Credit Union. Have them join today!

Please help us help your high school seniors finance their education by informing them of our scholarship program.

If you have any questions or need more definitive information, please don't hesitate to give me a call.

Sincerely,

Donna L. Hanson

Manager/C.O.O.
