Join Our Birthday Book Club Help Us Make Our Elementary Library Grow

Would you like to be a part of our Birthday Book Club? It is a great way to help the library grow at the same time gives your child the satisfaction which comes from giving.

Here's how the plan works:

- 1) You or your child selects a book from our Birthday Book collection.
- 2) The price will be \$10.00. You may pay when you send in the form below. Checks should be made payable to Wilson Elementary Library.
- 3) We process the book for the library and put a picture bookplate in front acknowledging your child and his/her birthday.
- 4) The book is then presented to your child who reads the book first. The book then becomes a part of Wilson Elementary's permanent collection and is available for all children to enjoy.
