
Thank you for your interest in the Deer Creek Middle School basketball program. We use a rubric which lists skills that we, the coaches, feel are most important for a well rounded middle school basketball player. This system allows all our players to continue skill development.

We have the opportunity to play two schedules. The varsity team will have around 10 players depending on the point total natural break on the rubric. Those who do not score high enough on the rubric to put them in the number determined by the natural break will have the opportunity to play competitively on the junior varsity team. If our JV numbers are high we will divide the team into two teams. Both schedules will be online.

Remember, the middle school program is just the first 2 years of a 6 year long opportunity to play Antler basketball. Keep working hard to improve your game.

Rubric for Team Selection:

DRIBBLING:
