Dear Parents/Guardians,

This letter is to inform you that today information was reported to a school in our area that yesterday female university students were approached by a suspicious Caucasian male, 30-40 years driving a small red vehicle. The incident was reported to City Police last night. Our school Superintendent and other local schools in our area have all been notified The Police are investigating and are closely monitoring our school community.

I encourage all families to review street safety at home, including reminding children not to approach any vehicles.

Again, thank you for your on-going support. Please do not hesitate to contact the school if you have any concerns.

Sincerely,

J. Mallory
Principal
