PARENT PERMISSION

I understand that my student, _____ has been recommended or requested to participate in the *ASPIRE* Program.

WHAT IS AN ASPIRE ADVISOR?

An *ASPIRE* Advisor is a caring volunteer who will assist your student in developing a post high school education plan (including high school class and activities plans) and provide encouragement, information and technical assistance for financial aid and admissions applications.

ASPIRE Advisor volunteers may be parents, college students, business people, retirees or other community members.

HOW ARE VOLUNTEERS SCREENED?

Persons volunteering to become *ASPIRE* Advisors have made a school year commitment to meet with students on a regular basis. The School has recruited and trained the volunteers. Criminal records and personal references are checked. Interviews are part of the process in identifying the best volunteers for the program. Volunteers that become *ASPIRE* Advisors are special people that really enjoy spending time with teenagers.

WHAT WE ASK OF YOU

In order for your child to participate in this program, we will need you to sign this authorization and encourage your child to attend meetings with their advisor and complete assignments. _
