Dear Parents and Guardians,

We provide a CARES Program at Saint Pius X Catholic School. This includes Before Care and After Care. This service will be available on all school days, full days as well as those with an early dismissal, and on some days when school is not in session for the students. The program provides professional care, supervision, and recreation. It serves members of our school community who desire a Catholic school education with before care and after care. It is open to children from Pre-Kindergarten to eighth grade. Parents may request a week, several days out of the week, or may send their child on a per day basis.

The CARES Program will be staffed by experienced, devoted and caring adults. These people are our faculty and staff members who work together daily to provide the children with an atmosphere of acceptance and care.

If you are interested in enrolling your child in our after school program, please complete the form the necessary forms and return them to school.

May God continue to bless you and your family.

Sincerely,

Sister Diane Licordare, IHM
