Classroom Happenings

Brushy Creek Elementary

Second Grade

Homework:

Homework folders go home every night and need to be returned daily.

Monday - Assigned Reading

Tuesday - Homework packet goes home and needs to be returned the following Tues.

Nightly - Read aloud 20 minutes and study spelling and one-digit math facts as needed

Notes to Parents:

* Parents, please go to the URL below to become a volunteer at Brushy Creek. This process will take 2-3 days to complete.

This is also necessary if you plan on participating in field trips or class parties. Thank you so much for all you do!

* 2nd Grade Website

<http://teacherweb.com/TX/BrushyCreekElementary/2ndgrade/index.html>

*Our annual Food Fight(Drive) has begun.

Send in canned fruit until Nov. 16th.

*Tues., Nov. 10th is picture retakes.

*Wed., Nov. 11th is an early release day(12:45).

*Tues., Nov. 17th is Math Night from 6:30-7:30.

*Thurs., Nov. 19th is our Thanksgiving Luncheon.

*The **Veteran's Day** program will begin at 9:00 AM. Students should wear dark pants (blue jeans, or blue, black, or dark grey pants) and a red, white, or blue shirt. The shirts may also be a combination of red, white, and blue, and/or have patriotic pictures on them. Boy scouts will be permitted to wear their uniforms. There will be a short reception for veterans following the program. If a veteran came with your student, your student will also be permitted to attend the reception.

There will be no evening performance.

***Are your Tale Feathers signed up?**

Sign up Today for our Second Annual Gobbler Fun Run Our Wing Ding 5K/Fun Run is a little over a week away. There will be games, a bounce house, a rock wall and a Race Bag with a Ribbon & Goodies for our Fun Runners. Show your Ribbon and get a mini-chicken sandwich at the runner Chick-Fil-A booth. Get your Registration form online in the e-folder, at the front office or sign up online at Wingding5k.com.

Language Arts: Second graders are learning through classroom literacy stations. They're continuing to learn and practice dictionary skills.

Writing workshop will resume this week.

Math: This week students are beginning a unit on telling time. They are learning how to tell time on both analog and digital clocks.

Social Studies/Science: Students will continue learning about natural resources in communities and the environment around us.

Spelling:

The hard/soft c spelling patterns are the focus this week.
