

Round Rock “Coins for Coats”

October 5-30, 2009

Our school is helping the Round Rock Area Serving Center buy new coats for children in need in the Round Rock school district.

Thousands of children will come to the Dell Diamond on November 7th to receive a new winter coat (including some students from Brushy Creek Elementary).

With your help, they guarantee that "your kindness will be passed on through the warmth of a coat." **If you would like to help, please have your child bring coins or bills to the school library to place in our special “Coins for Coats” container between October 5th and October 30th.**

The Round Rock Area Serving Center has never turned a child in need away without a coat. Please help them make this year a success!

Distribution day will be November 7, 2009 at the Dell Diamond. Eligible families will receive a voucher from the school nurse two weeks prior to distribution. Go to <http://www.servingcenter.org/> for additional information about this campaign.
