

International Children's Week

"Better Together at Brushy Creek and in the World!"

We need you to help us be better together! During the week of November 2nd we will be celebrating our different cultures through our annual International Children's Week. The purpose of this week is to celebrate the diversity that makes our country, and our school, unique. Only in America do so many cultures come together to create our national essence. It is this braiding of cultures that help make America, and Brushy Creek, so special. Here is a preview of what will happen during International Children's Week:

November 2nd - International Children's Week Kick-Off Assembly. Monday morning children & parents will perform native dances or sing songs from their countries. Would you like to perform? Sign up below!

November 6th - International Festival - This all-day event will take place in the cafeteria. Students are scheduled to visit booths at the festival representing various countries to celebrate diversity. As a host of a country, you will be able to demonstrate to the children of Brushy Creek what life is like in your home country in areas such as language, music, food, dance, art and popular culture. The host of each country will be teamed with Home Room Representatives, Teachers and Students who will help design and host the booth. Would you like to host or help with a booth? Sign up below!

Our first meeting will be Monday September 28th at 9:00 am at the school in the PTA Portable, 365B (just ask when you check in at the office) and will be held alongside the Home Room Representative meeting. Please come by and learn more about this exciting event! If you would like to help please complete the form below and return to your child's classroom or contact Anne Lippert at alippert@austin.rr.com or Nicole DiStefano at nicole.distefano@sbcglobal.net.
