

# Theme Project

## De compras

### Catálogo de ventas por correo

**Overview:**

You will create two pages from a mail-order catalog featuring magazine photos of three clothing items and three gift items, each accompanied by a brief description. Then you will present your catalog pages to the class, describing in complete sentences each item featured.

**Materials:**

Mail-order catalogs, fashion magazines, scissors, glue, markers, construction paper

**Sequence:**

- STEP 1. Review the instructions with your teacher.
- STEP 2. Look through mail-order catalogs for layout ideas, price ranges, and sizes. Submit a rough sketch of your two-page layout. Incorporate your teacher's suggestions into your draft.
- STEP 3. Create your two-page layout on construction paper, leaving room for your descriptions.
- STEP 4. Submit a draft of your clothing and gift descriptions. Practice your catalog presentations with a partner.
- STEP 5. Present your catalog pages to the class, describing each item on the pages in complete sentences.

**Assessment:**

Your teacher will use the rubric on the following page to assess this project.
