

Parents,

As part of our pre-ap curriculum we are preparing to begin creating content for our class web site. Your child will help to create a wide variety of content such as text only, pod casts, short video clips, and activities. If you chose to allow your child to help, please know that we will not include any real names, just initials and aliases. Please let me know whether or not you are willing to let your child participate by initialing each of the boxes below.
