

# Science Lab Volunteer Opportunities

## Weekly

- Download photos for Teacher Web Page
- Clean and restock used lab equipment and leveled readers

## Monthly / Every Six Weeks

- Update Teacher Web Page
- Print color photos for the bulletin board
- Bulletin boards

## Clubs (as scheduled)

- Pet Club (students apply in June)
- Garden Club (join with your child)

## Specific Events

- Super Science Store – November 5-9
- Cardboard Boat Regatta – fourth grade parents will have an opportunity to sign up in November/December
- StarLab 2 adults for each class period – February 4-15
- Dyecut tiger kites - March

## PTO Landscape Committee

- Work on your own schedule or join scheduled times

Dads are needed too. Please volunteer for DES' upkeep projects.

- Awning above the tables in the wildscape (north parking lot area)
- Laying stone in a 30' x 40' garden area (stone needs to be donated)
- Moving the wagon onto the stone
- Securing landscape timbers around the raised-bed vegetable gardens
- Replacing/securing railroad ties
- Trimming the Nature Trail path
- Tilling garden and landscape beds
- Trimming trees

Community Involvement – check out the “links” page

- Bob Jones Nature Center – call Emily Galpin 817 421-5648
- Keep Southlake Beautiful
- Southlake Public Library

You may also volunteer for other areas of interest that have not been mentioned.
