# BLUE BETTA ACTIVITIES

## LA ROCKS!!

~We continue reviewing NOUNS – people, places, things, ideas, Common and Proper Nouns., Singular and Plural, Possessive Nouns. Our NOUN TEST is tomorrow – Thursday, October 1<sup>st</sup>. We will also do Noun poems this week.

~Spelling Tests are on Wednesdays. Homework is due on Tuesdays. Next, week we will not have Spelling – no HW – no test.

~In Library this week, Mrs. Drenka will be introducing our book report genre – MYSTERY and students will have time to check out books for this book project. Students should continue to bring a book to class daily. I will be providing class time to read the novels they select for the book project. ~This, Friday, October 2<sup>nd</sup> we will have a test over LITERARY ELEMENTS. Students highlighted notes and made flash cards to study for this. The test format will be a word box – students match words in box to definitions listed below.

~Monday, October 5<sup>th</sup> and Tuesday, October 6<sup>th</sup>, we will take the first Reading Benchmark Test. This will not count as a grade. I will use this along with MAP testing to determine Reading strengths and weaknesses.

## Social studies

We will be wrapping up our Geography unit this week. There will be several open note/book tests over this chapter...no studying required; only participation in class. ☺

Our next unit of study is Exploration!

Proud to be your teacher,  
Mrs. Hunt

Don't miss out on the  
Carroll Education  
Foundation

## Volume 5

September 30, 2009

## Math

**This week's objectives are:**

Multiplication - up to 3 digits by 3 digits. We are doing an in-school project this week.

**Please run through your multiplication flashcards at home. This will reinforce the lessons this week and the rest of the year.**

Drops 9 & 10 are due Thursday  
No Test This Week ☺

Please remember to send a foam poster board and magazines to school with your child this week.

Thank you,  
Jann Hardin

## SCIENCE

We will be moving on to Chapter 2 discussing Natural Resources. In this chapter, students will discuss process **on** and **within** the Earth that interact to produce natural resources. They will discuss non-renewable, renewable and inexhaustible resources. We will also discuss how each student can conserve these natural resources. Students will have a vocabulary test over Unit C Chapter 2 next Thursday, October 8<sup>th</sup>.

Mrs. Boutelle  
Mrs. Bonnette

We are so excited to  
welcome back Mrs.  
Bonnette on  
Monday, October 5<sup>th</sup>!
