BLUE BETTA ACTIVITIES

Welcome to 5th grade LA!

This week in LA we will be....

~Working in our Journal and creating Bio Poetry. Final poems due Friday.

~Reviewing the four kinds of sentences and learning about Subjects and Predicates. There will be a quiz on Friday that we will review for on Wednesday.

~We will continue reading The Island and will have a listening quiz on Wednesday over

Chapters 1-8.

~We will start spelling on Thursday and the spelling test will be next Wednesday.

~We will also be going to the library on Friday. I request that the students bring a book to class every day and this is a great time to check something out!

**Don't forget to send in a picture of your child from a vacation for our "Reading Around the World" wall.

Have a great week!

Lisa Gilbert

Social Studies

Thanks for sending in 3 pictures of your child...we are working on a project with the district's mission statement as our topic: Live, Learn, Lead. I am enjoying your kiddos so much!

We will end the week acting out skits to describe the 5 strands of social studies: economics, geography, history, citizenship, and culture. I will be choosing the cooperative groups for this project. Enjoy your long weekend!

Proud to be your teacher,
Mrs. Hunt

Welcome Blue Betta Parents!

We are so excited about all the fun learning activities we have planned for children this year!

Looking forward to a great year!

Please send in the first of the year packets a.s.a.p.!!!

Volume 1

September 2, 2009

SCIENCE

We are starting off our year with the Scientific Method. Students are reviewing the steps and solving problems along the way. They will have a **test** over the steps and how to solve a problem using the Scientific Method on

Wednesday, September 9th.

We will be doing a lot of examples in class.

Remember, students see me every other day, so it is very important to review 10 minutes or so every night. Do not wait until the last minute to study. If your child has not purchased an assignment spiral, please have them do so.

Thank you,
Mrs. Boutelle
Mrs. Bonnette

Math

We have gotten off to a great start in math!

This weeks objectives are:
Place value through billions
Comparing whole numbers
Place value to thousandths

Reminder

Number Disguise and Drops 1&2 are due Thursday.

Test Friday
