## LA Requirements

\*Each group member will turn in his or her web site notes to me for a grade check.

\*Each member of the group will be responsible for submitting rough drafts of their written work to me for grading. This will not only count as a grade for LA, but it will also help you make the best grade possible on your final product. (I will not need to see your maps and graphs).

\*Road Trip Blog – in addition to your normal LA blogging, you will be responsible for submitting blog entries to the Road Trip Blog (also located on my TeacherWeb page).

- You will need to blog at least 3 times.
- Discuss what you have seen on your “road trip”, what you found interesting, and where you are headed next. Be creative and be sure to include information about some of your required items – What national park did you visit? Tell us about the museum or historic landmarks you saw. Did you see any ghosts in the ghost town? Did you catch a sporting event?
- Your blog should be written in paragraph form with correct spelling and punctuation.
- Type the title of that day’s blog in ALL CAPS, skip one line, and then start typing your post.
