Box Tops – Coordinated by Sr. Saleemah Abdullah

Alhumdulillah for the 2006-2007 school year, we were able to collect 2510 Box Tops coupons. Thanks to the teacher, parents and students support, the school received \$250 from General Mills to help the ISI Library Media Center.

Insha'Allah this school year we hope to collect 3000 Box Tops coupons. As of November 2007, we have collected 1050 coupons. We really need continuing support from you to help us reach our goal. Box Tops Collection Sheets can be obtained from the Library Media Center or downloaded and printed from this web page <http://www.boxtops4education.com/ActivityCenter/Projects.aspx>

Traffic Safety

When waiting in line to drop off or pick up children in the loading zone:

- ❖ Pull forward as far as possible, keep moving forward as space opens up.
- ❖ Stay with your car, be ready to load or unload and leave quickly.
- ❖ Think of other parents waiting in line behind you.
- ❖ Absolutely no parking in the loading zone at drop-off and pick-up time. There are no exceptions.
- ❖ Watch out for pedestrians and keep crosswalks clear.

We are looking for someone to take over the editing of this newsletter for this academic year. Typically there is one monthly newsletter during the school year, each distributed during the last week of the month. It's a great way to keep on top of what's going on in our school and letting people know about it!! If you are interested, please e-mail Sr. Jill at jiru_c@yahoo.com or talk to Sr. Eram.
