

ACCOLADE

(AK uh layd)

an award, an honor;
approval, praise

Link: LEMONADE

*"Jane and Jack received ACCOLADES
for their LEMONADE."*

- ❑ The ACCOLADES given our chemistry teacher as the teacher of the year were nothing compared to the ACCOLADES her students gave her when she accidentally blew up the lab and class was cancelled for the remainder of the term.
- ❑ The ACCOLADES she received for making the Olympic Swim Team quickly went to her head, and she thought she was grand madam of the swimming pool.
