

Dear Parents,

Our math textbook and tools are finally available online! To access the 5th grade math textbook, iTools and games that support our math curriculum, please complete the following steps:

1. Log on to: www.thinkcentral.com , select math, then HSP math.
2. You may wish to save this website in your favorites for easy access in the future.
3. Using the drop down menus choose the following:
 - a. State - TEXAS
 - b. District - Friendswood Ind Sch Dist
 - c. School – Windsong Intermediate School

4. You may also wish to check the following box:

remember my organization

This will save the information you chose in step three.

5. Next enter the following:

User name_____

(Your child's last name + first initial + last 3 digits of their student id)

Password_____

(Your child's six digit lunch account number)

6. Click login
7. Click on Library (This is a computer icon.)

This will show materials available to your child including 5th grade Textbook, iTools and Mega Math games. Have fun playing games and manipulating the iTools. You also have access to your textbook online.

As we utilize assignments and tests, I will be sending home more information.
