

ENGLISH HOMEWORK

Each week your language homework will feature a list of five words or phrases.

1. You look the words up in a dictionary and learn the meanings of them.
2. In blue or black ink, you copy out the words in columns and rows in your homework jotter, in your best handwriting.
3. After the columns, in blue or black ink, you will write one sentence to feature each word and show that you understand its meaning, underlining the word featured.
4. You bring in your homework jotter for marking on Friday of each week.
