

I have Coastal Plain

Who has
the river that was
explored by
the Spanish?

I have Coastal Range

Who has
the river that was
explored by
Lewis and Clark?

I have Canadian Shield

Who has
the landmass
made up of
Europe and Asia?

I have Interior Lowlands

Who has
the study of the earth
and the way people
live on it and
use it?

I have
Great Plains

Who has
the gateway
to the west?

I have
Basin and Range

Who has
a transportation artery
for farm and industrial
products that flows into
the Gulf of Mexico?

I have
Appalachian
Mountains

Who has
an early exploration route
that was west of
the United States and
provided access to other
areas of the world?

I have
Rocky Mountains

Who has
the body of water that
provided the French and
Spanish with exploration
routes to Mexico and other
parts of America?

I have Continental Divide

Who has
hills worn by erosion
and some of the
oldest rock formations?

I have Death Valley

Who has
inland port cities
grew along here and forms
part of the border
with Canada?

I have Colorado River

Who has
large body of land
that is surrounded
by water?

I have Columbia River

Who has
located east of the U.S.
and served as a highway
for early explorers,
early settlers and
immigrants?

I have
Mississippi River

Who has
a large body of water
that separates
the continents?

I have
Missouri River

Who has
broad lowlands providing
many excellent harbors,
located along the Atlantic
and the Gulf of Mexico?

I have
Ohio River

Who has
an area of the world
that has similar,
unifying characteristics?

I have
Rio Grande River

Who has
high elevations and
rugged mountains
stretching from
Alaska to Mexico?

I have Great Lakes

Who has
an area of varying elevation
(mountain peaks, plateaus,
canyons, and deserts)?

I have Gulf of Mexico

Who has
a continent that
is also
an island?

I have Atlantic Ocean

Who has
rolling flatlands with
many rivers,
broad river valleys, and
grassy hills?

I have Pacific Ocean

Who has
a transportation artery
for farm and industrial
products that starts
in the Great Plains?

I have
Continent

Who has
flat land that
gradually increases
in elevation westward
and grasslands?

I have
Ocean

Who has
old, eroded mountains
(oldest mountain range
in North America)?

I have
Eurasia

Who has
a body of water
that forms a border
with the U.S.
and Mexico?

I have
Australia

Who has
tall, rugged mountains
along the Pacific coast
that stretch from
Canada to California?

I have
Region

Who has
the place that determines
the directional flow
of the waters?

I have
Geography

Who has
the lowest point
in
North America?
