

I have Geography

Who has
shapes of
the Earth's
surface?

I have landforms

Who has
a large area of high,
flat, or
gently rolling land?

I have plateau

Who has
how high or low
a place is
above sea level
or ground level?

I have elevation

Who has
the number
of continents?

**I have
seven**

Who has
a deep narrow valley,
with high steep sides?

**I have
canyon**

Who has
a large body of water
that separates
the continents?

**I have
ocean**

Who has
a stream or small river
that flows into a larger
stream or river?

**I have
tributary**

Who has
the number of regions
in the United States?

**I have
eight**

Who has
a chain of
connected mountains?

**I have
mountain range**

Who has
a part of a body of water
along the shore deep
enough to anchor a ship?

**I have
harbor**

Who has
a body of water
surrounded by land?

**I have
lake**

Who has
an arm of an ocean or sea
that is partly enclosed
by land, usually larger
than a bay?

**I have
gulf**

Who has
the number of oceans?

**I have
four**

Who has
a large body of land
that is surrounded
by water?

**I have
continent**

Who has
land that lies between
hills or mountains?

**I have
valley**

Who has
a broad area of
fairly level land that is
generally close
to sea level?

**I have
plain**

Who has
the number of
Great Lakes?

**I have
five**

Who has
area that has little or no
moisture or vegetation?

**I have
desert**

Who has
an extended mass of ice
formed from falling snow
and moving very slowly?

**I have
glacier**

Who has
an area of raised land
that is lower and more
rounded than a mountain?

I have hill

Who has
an area of the world
that has similar,
unifying characteristics?

I have region

Who has
a large stream of water
that empties into
an ocean, a lake, or
another river?

I have river

Who has
a low-lying land area that
is surrounded by land of
higher elevation?

I have basin

Who has
high, steep, rugged land
that rises sharply above
the surrounding land?

I have mountain

Who has
the study of the earth
and the way people live on
it and use it?
