Welcome Back

Welcome to the 2009-2010 school year! Summer went by way to fast and we are already almost a month into school! We hope your children are enjoying their teachers this year, we have a lot to look forward to.

Our **first PTA meeting** of the year is Tuesday, October 13th at 7pm in the Library. We are looking forward to seeing new faces along with all the familiar ones :-). Please mark your calendars for this meeting; if you don't make any others during the year, we encourage you to make it to this one. We value your input and are looking for new ideas to continually make your child's school even better than it already is! We are doing some new fundraisers, changing some things and adding new ones - PLEASE take this opportunity to get your voice heard!

Did you know the PTA is responsible for and/or helps out with Family Fun Nights, Health Screenings, Assemblies, Book Fairs, BBQ's and Field Day? We help fund things the school district does not. None of these things can happen without an active PTA with a LOT of parent volunteers. We have a great school, great principal and great teachers - let's make this a GREAT PTA and give a few moments of yourself in anyway to make a difference.

If you haven't joined the PTA, please do so! We are always available to sign you up and keep our membership rates very low. We will have a table at Curriculum Night, Thursday, October 8th - stop in and say hi! The PTA provides extra resources to our teachers and our school and also enables many of the fun after school activities our children and families enjoy - we need your input to find out what you'd like to see your children have at their school!

Hope you have all enjoyed your first few weeks back to school and we look forward to seeing you all at Curriculum Night (October 8th) and at our first PTA meeting on October 13th!

Take Care,
Jennifer Van de Wouwer & Tiffany Martin

Drinking Juice makes \$\$

Collect Trash... Earn Cash.... Save the Planet
Every year BILLIONS of drink pouches end up in dumpsters and landfills across America. TerraCycle, Capri Sun and Honest Kids are working together to put an end to this awful loss of resources. As an eco-friendly innovator, TerraCycle converts the used drink pouches into unique fashion bags, tote bags, pencil cases, and other items for kids and adults! Together with your help we CAN make a difference!

The TerraCycle Drink Pouch Brigade™ program allows almost any school, non-profit organization or individual to save drink pouches from taking up space in landfills. TerraCycle will donate \$.02 for each drink pouch we receive, which will go to our school!

Collect the juice pouches (not boxes) and look for the collection bin coming soon! Any questions email Tiffanymartin27@gmail.com

Box tops

Each class continues to collect box tops each month in order to get a **free popcorn** on popcorn day. Thanks for all your support!!

This year we are asking families to put the closely clipped box tops in a plastic baggie with the child's name on it with the amount of box tops that are inside.

If you would like to send Campbell's Labels in we are glad to collect them but could you send them in separately please? It helps with our box top contest.

Thanks so very much for your help!
