FALL FUNDRAISER

Our Fall Fundraiser kicked off last Thursday with our turn in date of **this Friday!!** We are so excited to offer Sally Foster this year, so hurry and get your orders in this week! This is our biggest fundraiser and we fund much of what we do through this one. We provided yesterday's Author day, educational assemblies and so much more. Please encourage everyone you know to help our school out!! Budget cuts have hit every district hard and we anticipate more needs coming to the PTA than ever before to help supplement those budget cuts. Thank you for your efforts!

COORDINATOR DESPERATELY NEEDED FOR FALL FAMILY FUN NIGHT - OCTOBER 30TH!!!!

We do not have a coordinator for the Fall Family Fun Night. We need one or more people to head this up if we want to have a fun night for our kids and community! We have volunteers and a plan, but need someone to step up and chair this!!! If we don't have a coordinator for this event, we'll have to cancel it and I am sure we'll have a lot of disappointed children and families....so if you are considering stepping up, NOW is the time!! :-) Please contact Shawna Tadvick at 360-863-8342 or stadvick@comcast.net ASAP!

PTA MEETINGS ARE THE 2ND TUESDAY OF EVERY MONTH!

Our first meeting was a huge success with Nurse Merry talking to parents about immunizations and flu shots! Please come and make your voice heard - we need your input and ideas. We are also providing different themes every month to help educate and inform parents on issues important to them!!! Come help us decide what issues you want to hear about!

MORE VOLUNTEERS NEEDED!!!!

We've had a lot of programs and fun events offered at our school for the last few years but the people who have headed them up have moved on and we are still seeking a new group of ambitious and excited parents to help keep our school the unique and wonderful community that it has been! Let's not let the ball slow down, we need new ideas and fresh excitement to bring to our school, as well as people to continue on the traditions already started....Please contact Shawna Tadvick 360-863-8342 or stadvick@comcast.net to let us know how you can help!!
