

# Something new for 2007

Be a proud supporter of our athletics programs at home or away games. The patented StadiumChair is the best stadium seat in the country and is designed to fit virtually any type of bleacher, old or new, wood or aluminum. StadiumChair is the most comfortable, versatile, longest-wearing, and best-looking bleacher seat on the market. Outstanding construction starts with a powder-coat painted tubular steel frame, covered with a fade- and mildew-resistant, easy-cleaning canvas cover. The back cover is double fabric for strength and comfort. Rubber non-slip skids are mounted on the bottom of the frame to prevent slipping or scratching. The seat folds neatly and comes with an attractive tote handle.
