Grammar

Prepositions and Prepositional Phrases

A **preposition** is a word that shows a relationship between a noun and another noun. *For example: Maria stood between her parents.* The *preposition* “between” shows where Maria (a noun) stood in relation to her parents (also a noun).

A **prepositional phrase** begins with a preposition and ends with a noun called the **object of the preposition**. *For example: Samuel crawled under the porch.* “Under” is the *preposition*, “porch” is the *object of the preposition*, and “under the porch” is the *prepositional phrase*.

Activity

Where Are You Going? Many prepositions describe location. Write five prepositional phrases that answer the question, “Where are you going?” Have a family member write the object of the preposition for each of your phrases, and then check their work. When you are done, switch roles.
