If you want to know how often your child is visiting the nurse, you may find it on Skyward Family Access. If you do not have internet access, you can call Nurse Haas.

We have started to have a lot of illnesses at school. If your child is sick, please keep him/her home until all symptoms are gone for 24 hours.

It would be great if your child could bring in a water bottle. A lot of kids in our room have already done this. It can sit on their desk. That way they won't have to use the water fountain.

Book jackets are due November 30th. All children should be working on that now. If your child still needs a book, please let me know as soon as possible.

We are moving on to unit 3 in math. Please practice the math facts at home. We have found that if the facts aren't practiced, they are forgotten.

Have a great weekend!
