L A N C E R GIRLS' BASKETBALL

CAMP DESCRIPTION

The Shawnee Mission East girls' basketball staff is excited to challenge young players dedicated to improving their basketball skills. We want to provide a positive experience and send each player home a better individual and team player.

Boot Camp

This camp will include individualized instruction and supervised team play. Special "break-down" sessions will help both post and perimeter players develop the specific skills required for each position. Every athlete will leave the camp with individual workouts to help them develop both their ball-handling and shooting skills. Significant time will be devoted to the fundamentals of basketball.
