Mr. Haske told parents about an incident that happened regarding an email threat that occurred against one of our students, and the procedure taken to handle the situation. One parent suggested a message on Centerpoint would be appropriate. Another suggested a radio announcement and/or news scroll across the TV.

Mr. Haske discussed the upcoming bond issue. An itemized list of capital needs will be made available soon. A question was asked about the school's efforts to "go green".

Parents were shown MEAP results on a District Comprehensive Report. The school's goal is to have all students on a level one or two in all areas. This year's results are more an assessment of the previous year since the test was taken in October. A MEAP analysis sample was also shown showing the process teachers take to improve or suggest changes for future tests.

Karrie Gaffney, our middle school counselor, will be returning from maternity leave on a part-time basis in the spring. Sue Goss will continue to be with us three days a week and Karrie two days a week.

The next Breakfast Club meeting is scheduled for Wednesday, April 23 at 7:45 a.m. in the cafeteria and all parents are encouraged to attend.
