## FALLING INTO OCTOBER

Hello Parents! It is hard to believe that we have now completed 4 weeks of school! I can't begin to express how much I enjoy teaching your children. This year's group of students has done an outstanding job of being prepared, working hard, and showing enthusiasm each day. I truly look forward to more fun learning in the months to come!

### TeacherWeb

A copy of this newsletter and other items of interest can be found at [www.teacherweb.com/mn/saintambrose](http://www.teacherweb.com/mn/saintambrose). Our schedule, long term projects, teacher information, calendar, and other information will be available here. Daily homework will also be posted however, I would still expect that students utilize and be responsible for their planners.

### Picture Day!

Picture day is coming up on Monday, Oct. 12th. Students may be out of uniform for this day (as long as they are dressed appropriately for their pictures). Our class photo will be taken in uniform on Tuesday, October 13th.

### October Project: Reading Trick or Treating Book Report

This month, students will read a chapter book of their choice and complete a book report in the form of a Poster and Presentation. Students are asked to bring a treat to share that represents their book on the day of their presentation. Guidelines for the project are included in this week's folder. I will introduce the project in class and answer any questions. It is expected, however, that students complete the majority of their project outside of school as part of their homework. This month's project will not be due until **the week of October 26th**. They will be scheduled to present one day that week. We will have about 5 presentations a day. The schedule for presentations will be made the week prior in order to give you enough notice.

### Halloween!

Halloween is just around the corner! To celebrate, we will have a classroom Halloween party on Oct. 30th. Students are not allowed to wear costumes at St. Ambrose, however they may wear black and orange if they bring in \$1.00 to support a local shelter. In addition, we will have a "hand costume" contest in 5th grade! Students may

turn an ordinary glove into a costume by decorating it. Be creative!

### Please send following items to school with your child:

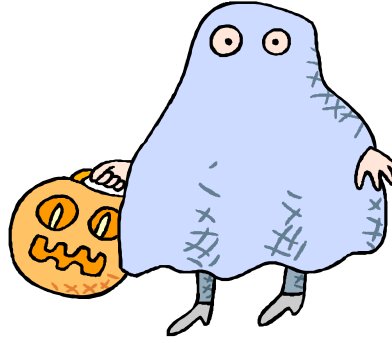

- 5-10 fall leaves pressed in a book by Tuesday October 13th for an art project.
- Their own Rosary if they want to use it, as we pray the Rosary in this month of Mary. (We do have classroom Rosaries too, so no need to purchase one if you don't own one.)
- A paint shirt that they can keep here all year.

# Grade 5 Reading Trick or Treating

A book report that is not only a treat for your mind,  
but also your stomach!

1. Read a novel you have never read before.
2. Choose your four favorite parts of the book.
3. Design a poster that includes the following elements:
  - The title and author
  - The books rating on a five-star scale
  - Three describing words
  - An illustration of your four favorite scenes
4. Practice giving a short speech about your book including the four favorite scenes.
5. Sign-up for a speech date.
6. On the day of your speech bring your poster and a treat that represents your novel. Such as if you read *Ribsy* about a dog you might bring puppy chow or for the *Word Eater* gummy worms. Get reading and get creative!
