Semester II, 2009
Exam Study Guide

Your second semester exam consists of three components:

- The written portion is your final senior project due Tuesday, May 26;
- The oral discussion of a portion of your senior project in class before the final exam period;
- **Objective Test during regularly scheduled exam period**
- The objective test consists of portions of the level 4 National German Examination administered annually by the AATG. The exam includes a listening section with stories and conversational rejoinders and an extensive reading and grammar section.
